If your anniversary is coming in a month's time, you must have started planning to make it a memorable event. Are you planning something special for your wife? Do you wish to surprise her on your first anniversary? It's a great idea. Usually, you can accomplish those ideas that couldn't be arranged on your wedding.

If you are not sure what would impress her, you can prefer to hire a luxurious car and spend the entire day with her. Amongst various options, you can hire limousine that will also double your happiness on your special day.

There are top seven ways that can make her day special and beautiful to be remembered for lifetime. Here it goes:

1. Impress her by choosing her favorite model that matches her style and taste to begin your day with.
2. Give her all the attention and let the chauffeur open the car doors for her.
3. Present her with a bouquet of her favorite flowers and let her sit comfortably on the luxurious seats. The ambiance inside the car will make her feel like a celebrity.
4. Express your feelings to her by playing her favorite song on the amazing music system.
5. Give her a theatre-like ambiance in limo by turning off the lights and playing your wedding movie on a good LCD to renew your year old memories again.
6. Take her to the shopping mall in a chauffeur-driven car to buy some expensive gift that she would remember throughout her life.
7. Make your evening special by sight-seeing your beautiful city and finally to a candlelit dinner to entice your taste buds.

Pamper your wife thoroughly by making proper arrangements in advance. Your wife would always remember your gesture and will appreciate in many years to come. If you think this idea will be a success in your case too, you shouldn't delay in booking your favorite model number.

Usually, limousine service providers have variety of cars to take care of your individual needs. However, you must ensure that you get the preferred car on the same day of your choice. This has been a successful idea for many young couples. It can also do wonders in making your wedding anniversary fantastic.
